

Optometrist Conference 2019

[PresMed Australia](#), in association with [Chatswood Private Hospital](#) (CPH), [Epping Surgery Centre](#) (ESC) and [Madison Day Surgery](#) invites you once again to the [PresMed Australia](#) Optometrist Conference.

[CPH](#), [ESC](#) and [MDS](#) are recognised centres of excellence in ophthalmic surgery providing world class leading surgical facilities and technology to treat the full spectrum of adult and paediatric ophthalmic surgical conditions. Hear from Ophthalmologist leaders in their fields and help strengthen your professional referral and network relationships in an enjoyable and relaxed atmosphere. [Click here](#) to read more.

CPH Celebrates Perioperative Nurses Week 2018

Chatswood Private Hospital celebrated Perioperative Nurses Week 2018, Sunday 7 October - Saturday 13 October. The Hospital is committed to upholding high standards of care, management and guidance to all of its

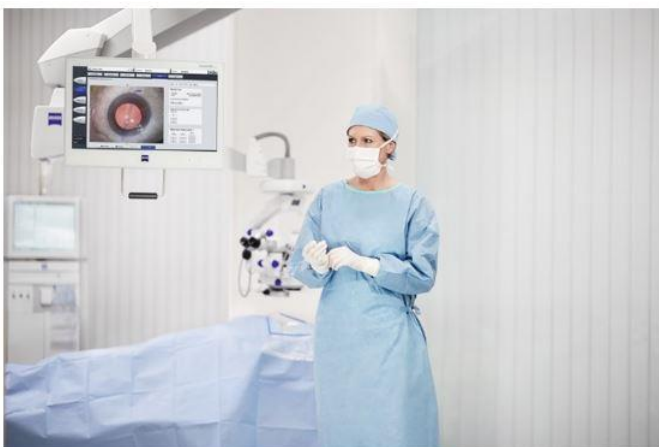

professional nursing staff members and to remain as one of the premiere destinations for Ophthalmic, ENT, Dental, Oral and Plastic Surgery nursing services.

Chatswood Private Hospital would like to thank all of its perioperative nursing staff for their very real contributions and care of their patients' safe perioperative journeys. [Click here](#) to read more.

CPH, Cutting Edge of Technology

Chatswood Private Hospital (CPH) is committed to continually research and obtain the latest in cutting edge technology that the Ophthalmic industry has to offer. Following a successful trial, CPH has purchased the ZEISS CALLISTO technology.

The CALLISTO technology facilitates intra-operative alignment of TORIC lenses. The assistance functions are injected directly into the eyepiece of the ZEISS surgical microscope, providing improved ergonomics and accuracy. In addition, the CALLISTO is equipped with automated eye tracking, ensuring that the position of the superimposed assistance functions is properly positioned on the eye.

CPH Christmas Closure

Chatswood Private Hospital will be closed from Friday 21st December and re-open on Monday 7th January 2019. From all of the staff and management at Chatswood Private Hospital, we wish you a Merry Christmas, Happy Holidays and a safe New Year. We look forward to continuing to service our community in 2019. For more details on the closure and contact numbers, please [click here](#).

CPH Attends Annual ESCRS Conference

In September, Roger Cronin, CEO, travelled to the Vienna to partake in the 36th Annual Congress of the European Society of Cataract and Refractive Surgeons (ESCRS). The 36th Congress of the ESCRS was held in Reed Messe, Vienna, Austria, attended by thousands of Ophthalmologists and industry leaders from all over the world. Lasting from the 22nd to 26th of September, the conference showcased the latest developments in cataract and refractive surgery. The program consisted of hundreds of presentations, instructions courses, surgical and wet laboratory demonstrations. The conference was an invaluable opportunity for our management team to be abreast of the latest information, trends and technology, bringing wealth of knowledge on ophthalmic care back to Australia.
